**Subject:** POTENTIAL ABANDONMENT DUE - 10663997

Good afternoon,

On behalf of your SPE, I am contacting you to remind you that the following application is ready to have a notice of abandonment completed and turned in for counting.

**10/663,997**

We reached today the attorney handling this case, Michael Angert, who verified that no response was sent.

If you have any questions or are unable to complete the notice of abandonment, kindly contact your SPE.

Many thanks
